 - ASSUME NEWSLETTER EDITOR'S DUTIES IN JANUARY 2010
 - BASIC KNOWLEDGE OF MICROSOFT WORD
 - WILL HAVE A CHANCE TO GET SOME HANDS ON BEFORE TAKING OVER

Only in America!

VERY COOL: Here you can see the man, his woman and his Corvette! Congratulations to the Binders on their feature story in Baton Rouge's City Social magazine! Autographs available!

Chairman's Message

By: Jim Boudreaux

We had another great time at our latest judging meet at Gary Cox's amazing garage. We judged four really nice Corvettes and you will find the details in this issue of our newsletter. With everybody's help, the meet went very smoothly ...and we even finished on time!

There were also two Sportsman Corvettes from the club and plenty of judges. We had some new members, visitors, and a new to the NCRS member with his car being judged for the first time. Two of our members who were on another Corvette outing woke up at 3 AM to drive to our event in order to be able to judge. That's dedication.

Another important first was that it was the first ever (as far as we know) judging of a 1995 LT1 Indy Pace Car owned by one of our members, Darrell Suber. We had to work from a draft judging manual and judging sheets but as the owner wants to campaign it we needed to get started as soon as possible. All in all we had a great time and our thanks go out to Gary Cox who provided the venue as well as ordered the food and drinks for the event. If you missed this one, you missed a good one.

There is some Chapter business coming up. We have to nominate and elect new officers for CY 2010. Our terms run from January to December so we want to get this done at our November meet. Please come to the meet with your ideas and get involved with the chapter by taking one of the positions.

We will also establish a projected schedule for the 2010 year and we expect to hold at least two judging events next year. All of this while judging three cars at the meet as well. This meet should be a lot of fun and a lot of work as well.

Oh and by the way, a number of us will travel to Orlando for the Florida Chapter's Winter Regional the third week of January, 2010. Mike Leeds has a block of rooms reserved at the host hotel. **The rest of the hotel is sold out for the event.** Please notify Mike if you plan to attend so he can arrange for you to have one of our chapter rooms. You have to be a chapter member up to date on your dues to get one of these rooms. Please Plan on joining us. It is one of the best NCRS meets.

Jim Boudreaux

Chairman
Membership Chairman

Proud Daddy

Respect Your Elders

Judging Chairman's Message

By: Bill Folse

Well, to my relief everything went pretty well at our judging meet! I am especially happy that everyone had a good time.

Well, you just can't top the Garage Mahal. We could live there. There's even a couple of Porsches for daily drivers.

The Cox family went all out to keep everybody comfortable. Thanks for hosting us!

We judged a 1967 roadster, a 1970 coupe, a 1980 coupe, and a 1995 Indianapolis Pace Car convertible. Rumor has it that we are the first to flight judge a 1995 Pace Car!

All of the Corvettes were beautifully prepared by their owners. All of the owners also participated in the judging of other Corvettes!

19 members judged, 2 members tabulated.

In addition, we had four visitors. We had a great event. I will hang out with you guys any time!

In the end, this is how it ended:

Top Flight:

Jim Fox (1970 coupe)

Darrell Suber (1995 Pace Car roadster)

Second Flight:

Terry Borne (1967 roadster)

Eddie Ridge (1980 coupe)

Sportsman (two red Corvettes):

Gerald Avery

Felix Famularo

Next on the Calendar: 11/15/09!

OK, we are having our next meet at Gerald and Kim Avery's in Slidell, LA. The address is 97 Tortoise St., Slidell, LA 70461. As we get closer to the event, we will send out driving instructions.

We have already closed registrations for the judged Corvettes. We will be judging a 1963, 1973, and a 1991 ZR-1. However, Sportsman entries are welcomed. We would like to have four complete judging teams (8 members per Corvette), so come on out and join us.

Following the judging event, we will be presenting the "Judging Reference" segment of the NCRS video training package. It is worth an additional judging point.

Coffee, donuts, snacks, and lunch will be provided.

Hey, get your judging shoes on, we are going to be very active in 2010!!

Thanks again everybody for getting involved, and for putting up with me while I get broken in.

Bill Folse

Judging Chairman

July 26 Meeting Minutes

General Meeting and Technical Seminar

The meeting was held at Gary Cox's Garage in Baton Rouge. Sixteen Chapter members attended the meeting and technical seminar.

Jim Boudreaux called the meeting to order at 1:40 PM. A sign in sheet was circulated for signatures.

Jim reported that our current membership now stands at 84 members. This is an increase of nine members since our May meeting and social event.

Jim reviewed the Chapter Treasury Report, since Ralph was not available. Our current bank balance is \$13,778, which is up \$179 from the beginning of the year balance of \$13,599. This amount includes our membership dues and renewals to date, and also includes the costs associated with putting on the May Crawfish Boil.

Jim is currently working with Gary Chesnut and Jeff Cook to clarify questions regarding liability insurance and advance notifications for our chapter events. Gary is our NCRS Region VII Representative, and Jeff is the NCRS National Finance and Operations Officer. Jim asked me to get involved to help resolve/follow up on these issues, and I agreed. Jim also asked about our Federal Tax Exempt Status and any required IRS notifications. I agreed to investigate and to follow up on this issue. (At the time of this writing, this research has been done and the required Federal 990-N Form has been filed with the IRS for 2008. This is a new, annual IRS requirement. Special thanks to John Maggiore for his assistance.)

Jim discussed the May Charity Auction and donation to New Orleans Children's Hospital. He said the Children's Hospital was very happy with the \$1160 donation and promise of matching funds. The Matching Funds request has already been submitted to the NCRS National, ahead of the October deadline. However, monies will not be available until the 1QTR 2010. This is a recent change in policy from the NCRS National Board of Directors. No reason was given for this change. There is a short discussion of this in the Summer 2009 RESTORER. I agreed to continue to follow up with Gary Chesnut on the status and the processing of this request.

Jim said that he received excellent feedback on the June 12-14 Chapter Road Tour to Tupelo, Mississippi. This road tour was done in combination with the Confederation of Corvette Clubs of Louisiana (CCCL) and was lead by our Chapter Members Buddy Gegenheimer and Felix Famularo. Thanks guys. Kathy Culbertson did an outstanding article for our July CROSSED FLAGS Newsletter about the trip.

The Greater New Orleans Corvette Club (GNOCC) will hold their ExtraVETTEGanza all Corvette Car Show and Swap Meet in Slidell on September 25-26. A number of our Louisiana Chapter members are heading this event, including Alton Rivero, Ralph Adams, and Bill Folse. Jim encouraged everyone to come out and have a good time, as well as to support another Louisiana Corvette Club. You can purchase a Sponsor's Trophy for \$50, which will provide a number of special benefits to anyone attending the event. Contact Alton, Ralph, or Bill for further details.

Bill Folse briefly discussed the upcoming September and November Chapter Judging Meets. Bill and Jim will e-mail registration forms to Chapter Members within a few days. Bill already has verbal commitments for cars for both Judging Meets, but the registration forms are needed to document these and to get the necessary registration monies and signatures. If you want your car judged, sign

up as soon as you receive the registration forms. Due to space issues, Bill is trying to hold the number of judged cars to a maximum of three or four (3 or 4) per meet.

Those wishing to participate in the September 3-5 Corvette Caravan and Road Tour to the National Corvette Museum should contact Michael Leeds. This promises to be an exceptional event that you don't want to miss. It will be the 15th Anniversary of the NCM and will involve folks from around the country. "All Roads Lead to Bowling Green" this Labor Day Weekend. Don't miss it!!

Larry Mulder provided an update on the Chapter Award Program. We are currently in excellent shape for achieving a TOP FLIGHT Award for this year. The main thing is to follow through with our planned September and November Judging Meets. We need a total of four cars judged, and eleven Chapter members judging or tabulating, to meet the program criteria. This should not be a problem. We need to have as many members attend as possible to help share the judging load as well as to earn judging points. Be sure to mark your calendars: September 20 (Baton Rouge) and November 15 (Slidell).

The Chapter Business Meeting finished at approximately 2:30 PM.

After a short break, Gary Cox began the technical seminar on Corvette distributors and distributor testing using his SUN Machine. Highlights were a discussion on distributor and distributor cap originality, and distributor vacuum and mechanical advance testing using the SUN Machine. Both TI and conventional points distributors were explained and tested. A lot of good information was presented, and I think everyone enjoyed the session.

Jim adjourned the meeting around 4:00 PM. A few folks stayed around to look at Gary's cars, ask additional distributor-related questions, and discuss upcoming Corvette events.

A special thanks to Gary for hosting this event and for presenting the technical seminar. The September Judging Meet will also be at Gary's Garage. This is a super facility, and Gary is always willing to help and accommodate our NCRS events.

Respectively submitted:

Attached is the July 2009 summer Board meeting minutes held in San Jose, Ca following the Convention. Please forward to your newsletter editors.

Update on Judging Points. John Waggoner and Rob Musquetier have developed a Judging Points Tracking System database over the last six months. John Waggoner will have a formal announcement about the Judging Points Tracking System in the September Driveline issue.

To summarize John's announcement - Judging points will be available in the NCRS Technical Discussion Board www.ncrs.org/forums/ in a member's profile on or about September 15th. John Waggoner ncrs@ncrs.org will be responsible for coordinating with the Chapter Judging Chairman and have responsibility for the NCRS Judging Points Tracking database system.

John has recently sent e-mails to each of the Chapter Judging Chairman to coordinate training and use of the Judging Points Tracking System database. Paper, fax or e-mail copies for Judging points credits will be now sent to John. John also has developed a new event sign-in form. Contact John for a copy.

I would encourage each of you to work with your respective Judging Chairmen to participate in the training John's developed. All Chapter Judging Chairman will be required to enter the Chapter Judging, Technical Sessions and Judging Training events directly into the Judging Tracking Points System database after Jan 1, 2010. After Jan 1, 2010 no more paper copies will be accepted for Judging points credit.

Congratulations are in order to NCRS Region VII's newest Chapter - Midway USA Chapter in Kansas. Midway USA Chapter was granted probationary Chapter status at the March 2009 Board meeting. The Midway USA Chapter will conduct a one day Judging Seminar in Wichita, Ks on August 15th. Let's participate and help this new Chapter get off the ground.

Have also included a NCRS Chapter Officer contact list for your files.

Reminder - Chapters must notify the NCRS Finance Officer Jeff Cook jeff.cook@cros.net for insurance coverage of a Chapter event.

Please let me know if you have any questions on the minutes or the Judging Tracking Points system.

Lastly, send me a e-mail if you do not have copies of the Chapter Guidelines, Charitable Contributions (matching funds) and NCRS By-Laws.

Best regards,

Gary

....

NCRS Region VII Director

Chapter Award Program Status

October 2009

We have now completed all the activities necessary to earn a Chapter Top Flight Award for this year. Congratulations to everyone for their hard work and dedication to accomplish this goal. Your help and your participation were very apparent.....and appreciated. And along the way, we had a lot of fun and also helped the New Orleans Children's Hospital.

We had an extremely busy third quarter this year. During the quarter we hosted a four car Chapter Judging Meet in Baton Rouge, conducted a Technical Seminar on Corvette Distributors, had a Chapter Membership Meeting, and participated in two Road Tours to Tupelo, Mississippi and to Bowling Green, Kentucky. These events completed the list of eight **Required Activities** for the Award Program for this year. And we still have another Judging Meet and Membership Meeting planned for November 15 in Slidell. This will add to our success.

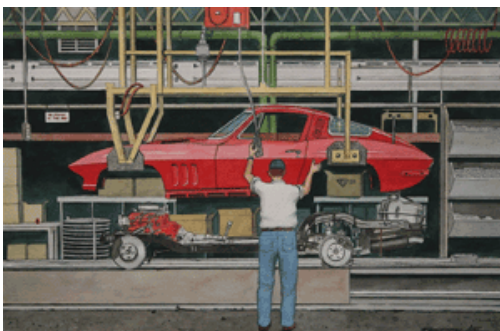

To earn the Top Flight Award, you also need to complete at least six of the seven **Variable Activities**. These activities measure the level of member participation within the chapter. We have already surpassed all of the criteria for six of these activities and still have another quarter to go. This will ensure that we easily meet all of the requirements. However, don't let up. Be sure to register for the November Judging Meet, come out and judge/participate, and drive your Corvette to the meet!! The more points we get the better our Top Flight score.

The only activity that we did not accomplish for this year was to publish six technical (how-to-do) articles in the Chapter Newsletter. We need to try and do this for 2010. This will benefit our entire membership by sharing technical information and tips, as well as earn award points. I will personally commit to one article next year.....and I'm sure Bill and a few others will do the same.

The third quarter Award Program status report was submitted a few days ago, and we are in excellent shape for this year. Thanks again to all.

Larry

(Thanks to Larry Mulder for keeping score for us. With his help we were able to keep up with our progress! Ed.)

NCRS Chapter Award Program

By Larry Mulder, #20401-122

The **NCRS Chapter Award Program** was developed to promote involvement and participation by members in their chapter events while encouraging the sharing of knowledge in the restoration and preservation of the Corvette. The program measures the performance of each chapter against standard award criteria similar to the principal used in NCRS judging. Each chapter is eligible to receive an award every year after submitting the required quarterly reports and fulfilling the required criteria

The Award Program is based on the calendar year January 1 to December 31. Recognition Certificates are issued in February, and the award is presented to the chapter at the National Convention

| TOP FLIGHT | SECOND FLIGHT | THIRD FLIGHT |
|--|---|---|
| Complete all eight required activities and six or more variable activities | Complete seven required activities and five variable activities | Complete six required activities and four variable activities |

| Required Activities for the year | Variable Activities for the year |
|--|--|
| <ul style="list-style-type: none"> • 1R Host a Chapter Judging Meet • 2R Conduct a Chapter Technical Seminar • 3R Conduct a Chapter Judging School • 4R Conduct a Chapter Membership Meeting • 5R Conduct a Chapter Charitable Event (does not have to be Corvette related) • 6R Conduct a Chapter Road Tour • 7R Have a Chapter Social Event • 8R Maintain a Chapter Website linked to www.ncrs.org | <ul style="list-style-type: none"> • 1V Judging Meet must include cars registered for Flight Judging from at least 5% of the chapter membership • 2V Six technical articles must be published in the Chapter Newsletter • 3V A total of 15% or more of the chapter members and/or family members must judge or tabulate at the Judging Meet(s). Each person can only be counted once during the year. • 4V At least 15% of Chapter members must drive their Corvette(s) to a Chapter Meeting or Chapter Event during the year. The Chapter Road Tour is not included. Each person can only be counted once during the year. • 5V Chapter Road Tour must include at least 5% of the members cars. • 6V At least 20% of the chapter members must attend one or more Chapter Meetings or Events. • 7V A charitable donation of \$100 or more is donated to a 501-3C qualified charity |

Quarterly Reporting: Quarterly reports are due April 10, July 10, October 10, and January 10. Reports received after the deadline will result in all activities during that quarter being disallowed. Supporting documentation including Chapter Newsletters and Chapter Meeting Sign-in Sheets must accompany each quarterly report. The reports are to be sent to Marilyn Heitzman.

Our Chapter Score: The table below shows our progress toward achieving a **Chapter Award** for 2009. An **"XX"** indicates that we have completed the requirement, and an **"IP"** indicates that work is planned or in progress to complete the requirement. **We will need to develop plans for those activities that are currently shown blank.**
