Chairman's Message

It has been a while since I last wrote a message so here it goes. We have had a very good year in 2010 both with our charity and our efforts to capture another chapter top flight award. Both of the judging meets in 2010 were very well attended and great fun was had by all. Our chapter was well represented at the National in Charlotte and on the road tour as well. Our Chapter Steak Fry was the talk of the National.

We are blessed with a great membership, both in numbers and in spirit. The coming year of 2011 should be just as interesting with two judging meets and a crawfish boil scheduled. This year started off with a large number of our members attending the Florida regional this January and the Mecum car auction happening at the same time.

I would encourage all that can to attend as many chapter events as possible. We are looking forward to a great year and a great time with our Corvette friends,

Jim Boudreaux

IT'S RENEWAL TIME!!

It is not too late to send in your Louisiana Chapter NCRS Dues for 2011! Please complete and return the enclosed membership application renewal form.

Please send in your 2011 dues and any contact info changes as soon as possible. Even though you may miss the current roster, you will be back on the next one.

To those of you who have already paid your 2011 dues, we thank you for renewing with us.

The Louisiana chapter plans on another great year with at least two judging events, a crawfish boil, judging schools and seminar events that will advance our members in their hunt for the Master Judge's hat. We plan to host some road tour.

The past year has been very good for our organization. We hope to achieve a TOP Flight Chapter award again in 2011.

Please join us for a very eventful year...Jim B.

Judging Chairman's Message

I would like to express my appreciation to Gary Cox and John Maggiore for their hospitality year after year. Until last year, these were the only locations of Chapter judging meets during my time with LANCRS.

IN 2010 we had an opportunity to change the scenery a little and give Gary and John a little break. Our events at Gerald Avery's, Keith Dorr's, and Darrell Suber's garages (using this term loosely) were lots of fun and very productive.

On April 17th, we will be returning to John Maggiore's in Hammond. Presently, we have a 1957 Fuelie from Orange Beach, AL and a 1996 Grand Sport Coupe from Ball, LA (Alexandria). We have two other candidates but we have not confirmed either at this time, but the two that are registered are going to be a great experience for the judges! I am looking forward to the opportunity to see these beautiful Corvettes up close.

Speaking of judges, we have 4 registration forms for judges at the judging meet. Guys, it's difficult to determine how many judging entries to accept when there is such a small advance commitment. If you plan on attending and participating, please at least contact me by email to let me know. I can definitely sympathize with everyone on how unpredictable things are these days. Nevertheless, please at least let me know of your intentions.

We have also taken some steps to build depth into our judging leadership. Darrell Suber has agreed to work with me as Assistant Judging Chairman for our chapter. This will give us an opportunity to share some of the tasks in coordinating and facilitating judging events. We need redundancy in the position in order to provide us an opportunity to devote time to additional needs of our judges and observer judges (and this judging chairman, too). Our long range plan is to help our members prepare for bigger events such as regional judging events (maybe one day it will be a national convention! I am looking forward to working alongside Darrell.

For everyone that has not heard, Carl Hamilton has agreed to take over as our Newsletter Editor. Without his help this really cool newsletter would be floundering. Carl's not going to write all the stories, he can only attend so many events. He needs our articles or commentaries or whatever you might have. Even if you just make a cruise, take some pictures and send in a paragraph or two so we can show how our members are having a blast in their Corvettes! This is your newsletter, break out the pen and paper and let 'em fly!

Finally, I would like to express my appreciation to Alton Rivero for opening his garage for our membership meetings. Soon we will have names for all the new garages as well. Sounds like a contest to me!

Bill Folse

February 20 Meeting Minutes

General Business Meeting and Judging School

The meeting was held at Alton Rivero's Garage in St. Rose. Fifteen chapter members attended the meeting.

Michael Leeds (Chapter Vice Chairman) called the meeting to order at around 1:30 PM. A sign-in sheet was circulated for signatures.

Mike reported that Jim Boudreaux (Chapter Chairman) had torn his rotator cuff and would not be able to make the meeting. Jim was doing relatively well, with repair surgery planned over the next few weeks. Everyone wished Jim a speedy recovery.

Louisiana Chapter membership stands at 56 members as of January 31, 2011. At the end of 2010, chapter membership was at a high of 112 members. Renewals this year have been slow. Chapter dues remain at \$20 per year, which is a bargain for the benefits received. Send in your 2011 membership renewal as soon as possible to either Jim Boudreaux, Michael Leeds, or Ralph Adams.....and remind your friends and other chapter members to do the same.

Ralph Adams reported that our current bank balance is \$13,800.

Mike and Ralph discussed the possibility of hosting a Regional Judging Meet in 2013. We have been notified by the National that an opening exists in the 2013 schedule, and they would like for us to fill this vacancy. Ralph has made contact with some of the New Orleans hotels, but the dates that are available in the NCRS 2013 calendar are not good for the hotels, or the 2013 time frame is too far out for the hotels to commit and provide the discount rates that we need for this event. Tourism is picking up in New Orleans, and the big hotels are not willing to commit to steep discounts this far in the future. However, there was general agreement at the meeting to continue to pursue the 2013 Regional. We will also evaluate using the Pontchartrain Center in Kenner as a location for this event. Ralph and Mike (and Jim when able) will follow-up, and will update everyone at the next meeting.

Mike announced new positions and changes within the Louisiana Chapter for this year:

Alton Rivero is the new Assistant Chapter Membership Chairman. Alton will be working closely with Jim Boudreaux to eventually take over the Membership Chair position from Jim. Jim has been doing double (or triple) duty for the last few years, and needs a break.

Darrell Suber has agreed to become the Assistant Chapter Judging Chairman. This is a new position. Darrell will assist current Judging Chairman Bill Folse in planning and implementing our Chapter Judging Meets. Carl Hamilton has volunteered to become our new Chapter Newsletter Editor, replacing Bill Folse who has held this position for the last few years. Bill's Newsletters were some of the best within NCRS in both their content and format. He did an exceptional job for our chapter in this position. Thank you Bill!!

And an additional "Thank You" to Alton, Darrell, and Carl for taking on these new positions and responsibilities for our chapter for this year.

Larry reported that we have again received a TOP FLIGHT Chapter Award from the NCRS National for our performance in 2010. **Congratulations to all!** This is outstanding, and reflects very well on our chapter and its members. The TOP FLIGHT Award will be presented at the National Convention in Novi, Michigan in July.

Our Annual Crawfish Boil will be held at Ralph Adam's home on Sunday, May 15. **This is a change from the previous published date in June**, and is being done to ensure that we can get top quality crawfish for the boil. Starting time is around noon. More information will be communicated later, as we get closer to the event.

Felix Famularo volunteered to lead the Charity Silent Auction for this year. This will be held in conjunction with the Crawfish Boil. All proceeds will continue to go to the New Orleans Children's Hospital. This makes our third year sponsoring this event for the Children's Hospital. According to both Jim Boudreaux and Felix, the folks at Children's Hospital are extremely happy and appreciative of our support. Larry will assist Felix with the event.

Felix has also agreed to sponsor a Chapter Road Tour for this year. It is being planned in conjunction with the Confederation of Corvette Clubs of Louisiana and is called the **SPRING PILGRIMAGE ROAD TOUR** to Natchez, Mississippi. The road tour will depart from New Orleans the afternoon of April 1, and pass through Baton Rouge on US Hwy 61 up to Natchez. This is a beautiful drive. A block of rooms has been arranged at the Comfort Inn and Suites in Vidalia, Louisiana, just across the Mississippi River from Natchez. Make your plans and reservations early. Contact Felix (aka. Cruise Control) for additional details. The group will return to New Orleans on Sunday, April 3.....unless everyone is having too much fun to leave. Larry will print a sign-in sheet for this event and send to Felix for signatures.

We need to get someone to volunteer to put on a Technical Seminar later this year. Gary Cox did one on Corvette Distributors and Using a SUN Distributor Machine in 2009, and Larry did one on Vintage Corvette Air Conditioning last year. Contact Larry, Jim, or Mike if you are interested. **This is needed to get the TOP FLIGHT Chapter Award for this year.**

Bill Folse discussed the Chapter Judging Meet that is being planned for April. The meet will be held on Sunday, April 17, at John Maggiore's Garage in Hammond. Judging will start around 8 AM. Bill already has three cars registered for the event, which is our limit at this time. They are a 1957 FI car, a 1967 car, and a 1996 Grand Sport. Be sure to send in your event registration so that Bill and Darrell will know how many judges and tabulators that we will have, so that judging teams can be established. The registration form is available on the club website at www.ncrs-louisiana.com.

Bill also took a few minutes and reviewed judging basics and protocol. He also reviewed the forms and paperwork that are part of the NCRS judging process.

Mike discussed other Corvette events that are coming up within the next few months. Chapter members are encouraged to attend. Many of our NCRS Chapter Members are heavily involved in planning and implementing these activities, and need your support. A list of these events can be found on the Confederation Calendar at www.localendar.com/public/confederation

Mike also stated that the 2011 Calendar for all our Louisiana Chapter events is shown on our chapter website. Go there for additional details.

The general meeting adjourned at around 3:30 PM.

After a short break, Bill Folse lead a Judging School on NCRS Judging 101. The NCRS Judging Video was shown, as well as a chance for questions and group discussion. The Judging School ended at 4:30 PM. A separate sign-in sheet was circulated for the judging school.

A special thanks to Alton Rivero for hosting this event. Thank you Alton!!

Larry Mulder, Louisiana Chapter Secretary, NCRS 20401 - 122

Congratulations to Darrell and Deanna Suber on the birth of their new 2011 Grand Sport. It was born wearing Supersonic Blue Metallic. Baby GS and the proud parents are all doing well!

We need a volunteer to conduct a technical seminar sometime during the year in order for the chapter to qualify once again as a Top Flight Chapter. It would be much better to get this done before the National if possible. Please contact Larry Mulder with any questions if you are interested in volunteering.

NCRS announces On-Line Event Registration System

NCRS launched an event on-line registration system in mid January, after four months of testing.

Member's can register on-line and pay with a credit card or PayPal for:

- To attend an event
- A car for Judging, Display, Performance Verification, Display or Sportsman
- Banquet tickets
- T-Shirts
- Judging requests

On-Line registration is an effortless way to register and pay for an NCRS Event. No longer do you have to try to read the small print on a registration form and mail a check. Nor wonder if your payment and registration was received.

You can completely fill out an even registration form and pay on-line. You will receive an immediate email response acknowledgement of your registration and payment that can be easily printed out.

Benefits to a Chapter are:

- Not having to try and read or interpret a member's hand writing
- Correct addition of math
- Credit Card or PayPal payment directly to the Chapter bank account
- No more managing checks and deposits
- Summary and detail reports
- Printing of car registration green sheets

Before you begin you will need to have these items on hand!

- 1) Your NCRS Membership Number
- 2) Your NCRS logon Username and Password
- 3) Car Judging
 - a. VIN number
 - b. 63-96 Trim, Exterior, Interior and Color Codes, in addition to color names
 - c. Proof of Insurance Policy — scanned document to upload or paper to mail
 - d. Proof of Ownership — scanned document to upload or paper to mail
 - e. Performance Verification — State car license tag registration expiration date

- 4) Performance Verification

2011 NCRS Chapter Award Program

By Larry Mulder, #20401-122

The **NCRS Chapter Award Program** was developed to promote involvement and participation by members in their chapter events while encouraging the sharing of knowledge in the restoration and preservation of the Corvette. The program measures the performance of each chapter against standard award criteria similar to the principal used in NCRS judging. Each chapter is eligible to receive an award every year after submitting the required quarterly reports and fulfilling the required criteria

The Award Program is based on the calendar year January 1 to December 31. Recognition Certificates are issued in February, and the award is presented to the chapter at the National Convention
